

Specifications:

Configuration	1-gang
Color	White (W)
Mounting Type	Screwless, snap-on
Material	ABS Plastic
Compatibility	Quick-Mount Designer Switches

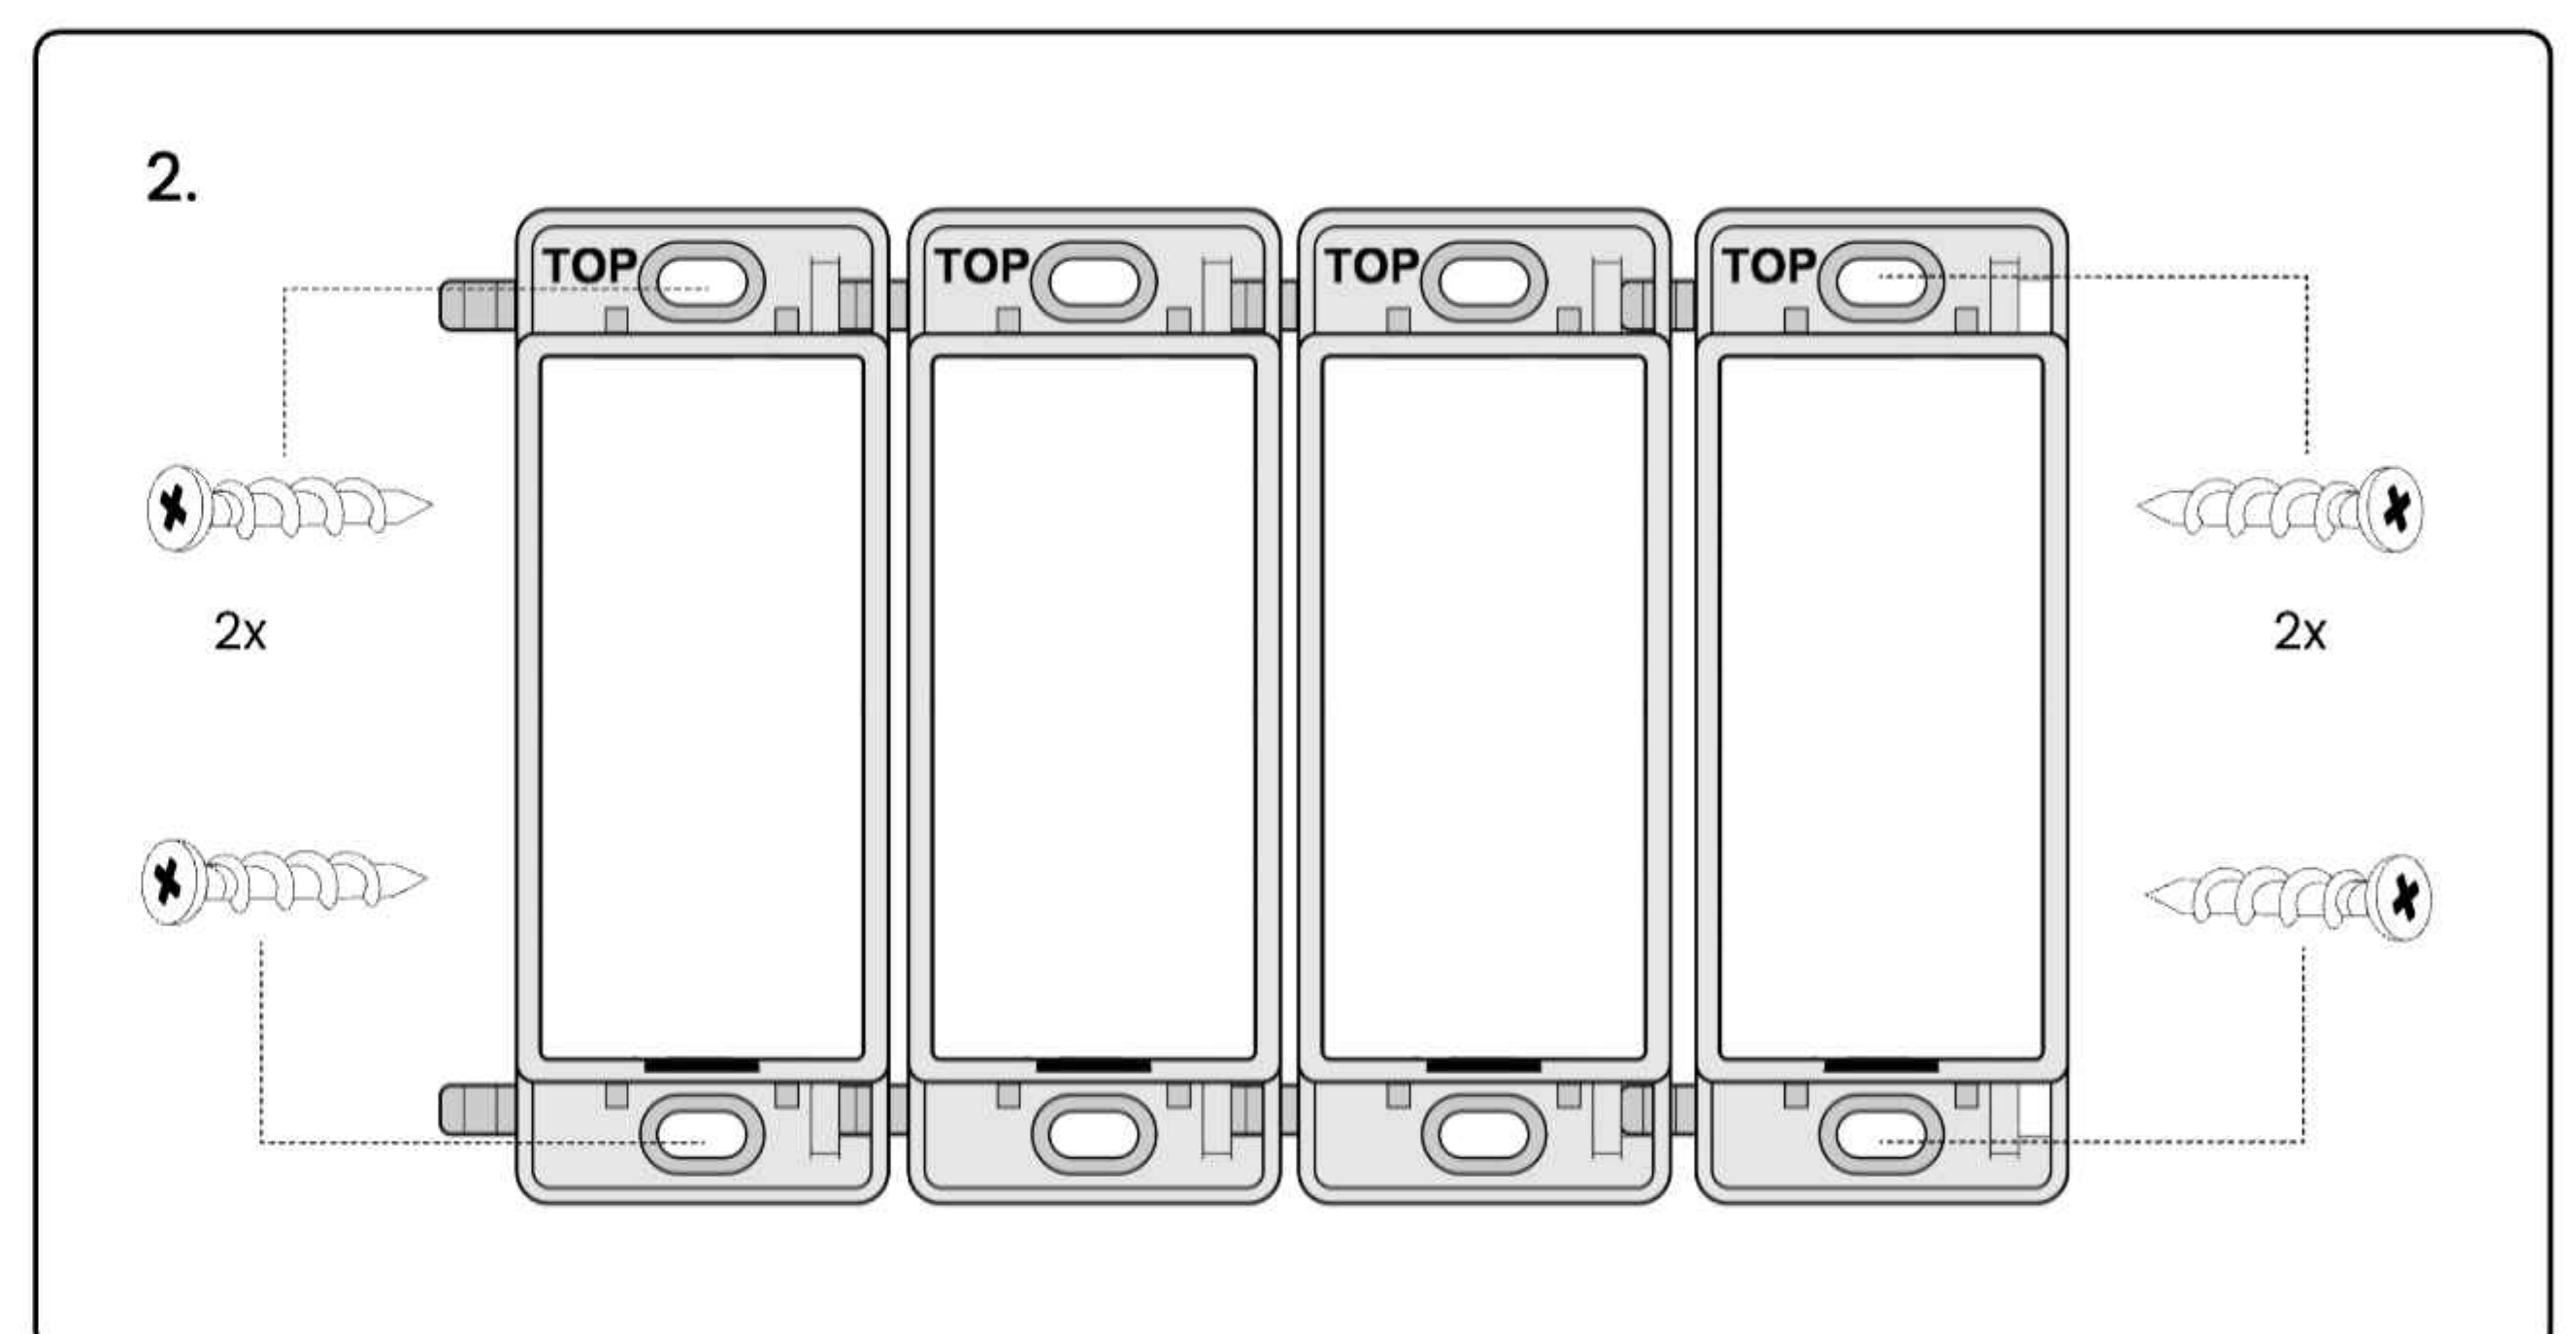

Physical Dimensions:

Length	3.6" (9.1cm)
Width	3.4" (8.6cm)
Depth	0.4" (1cm)
Weight	12 grams

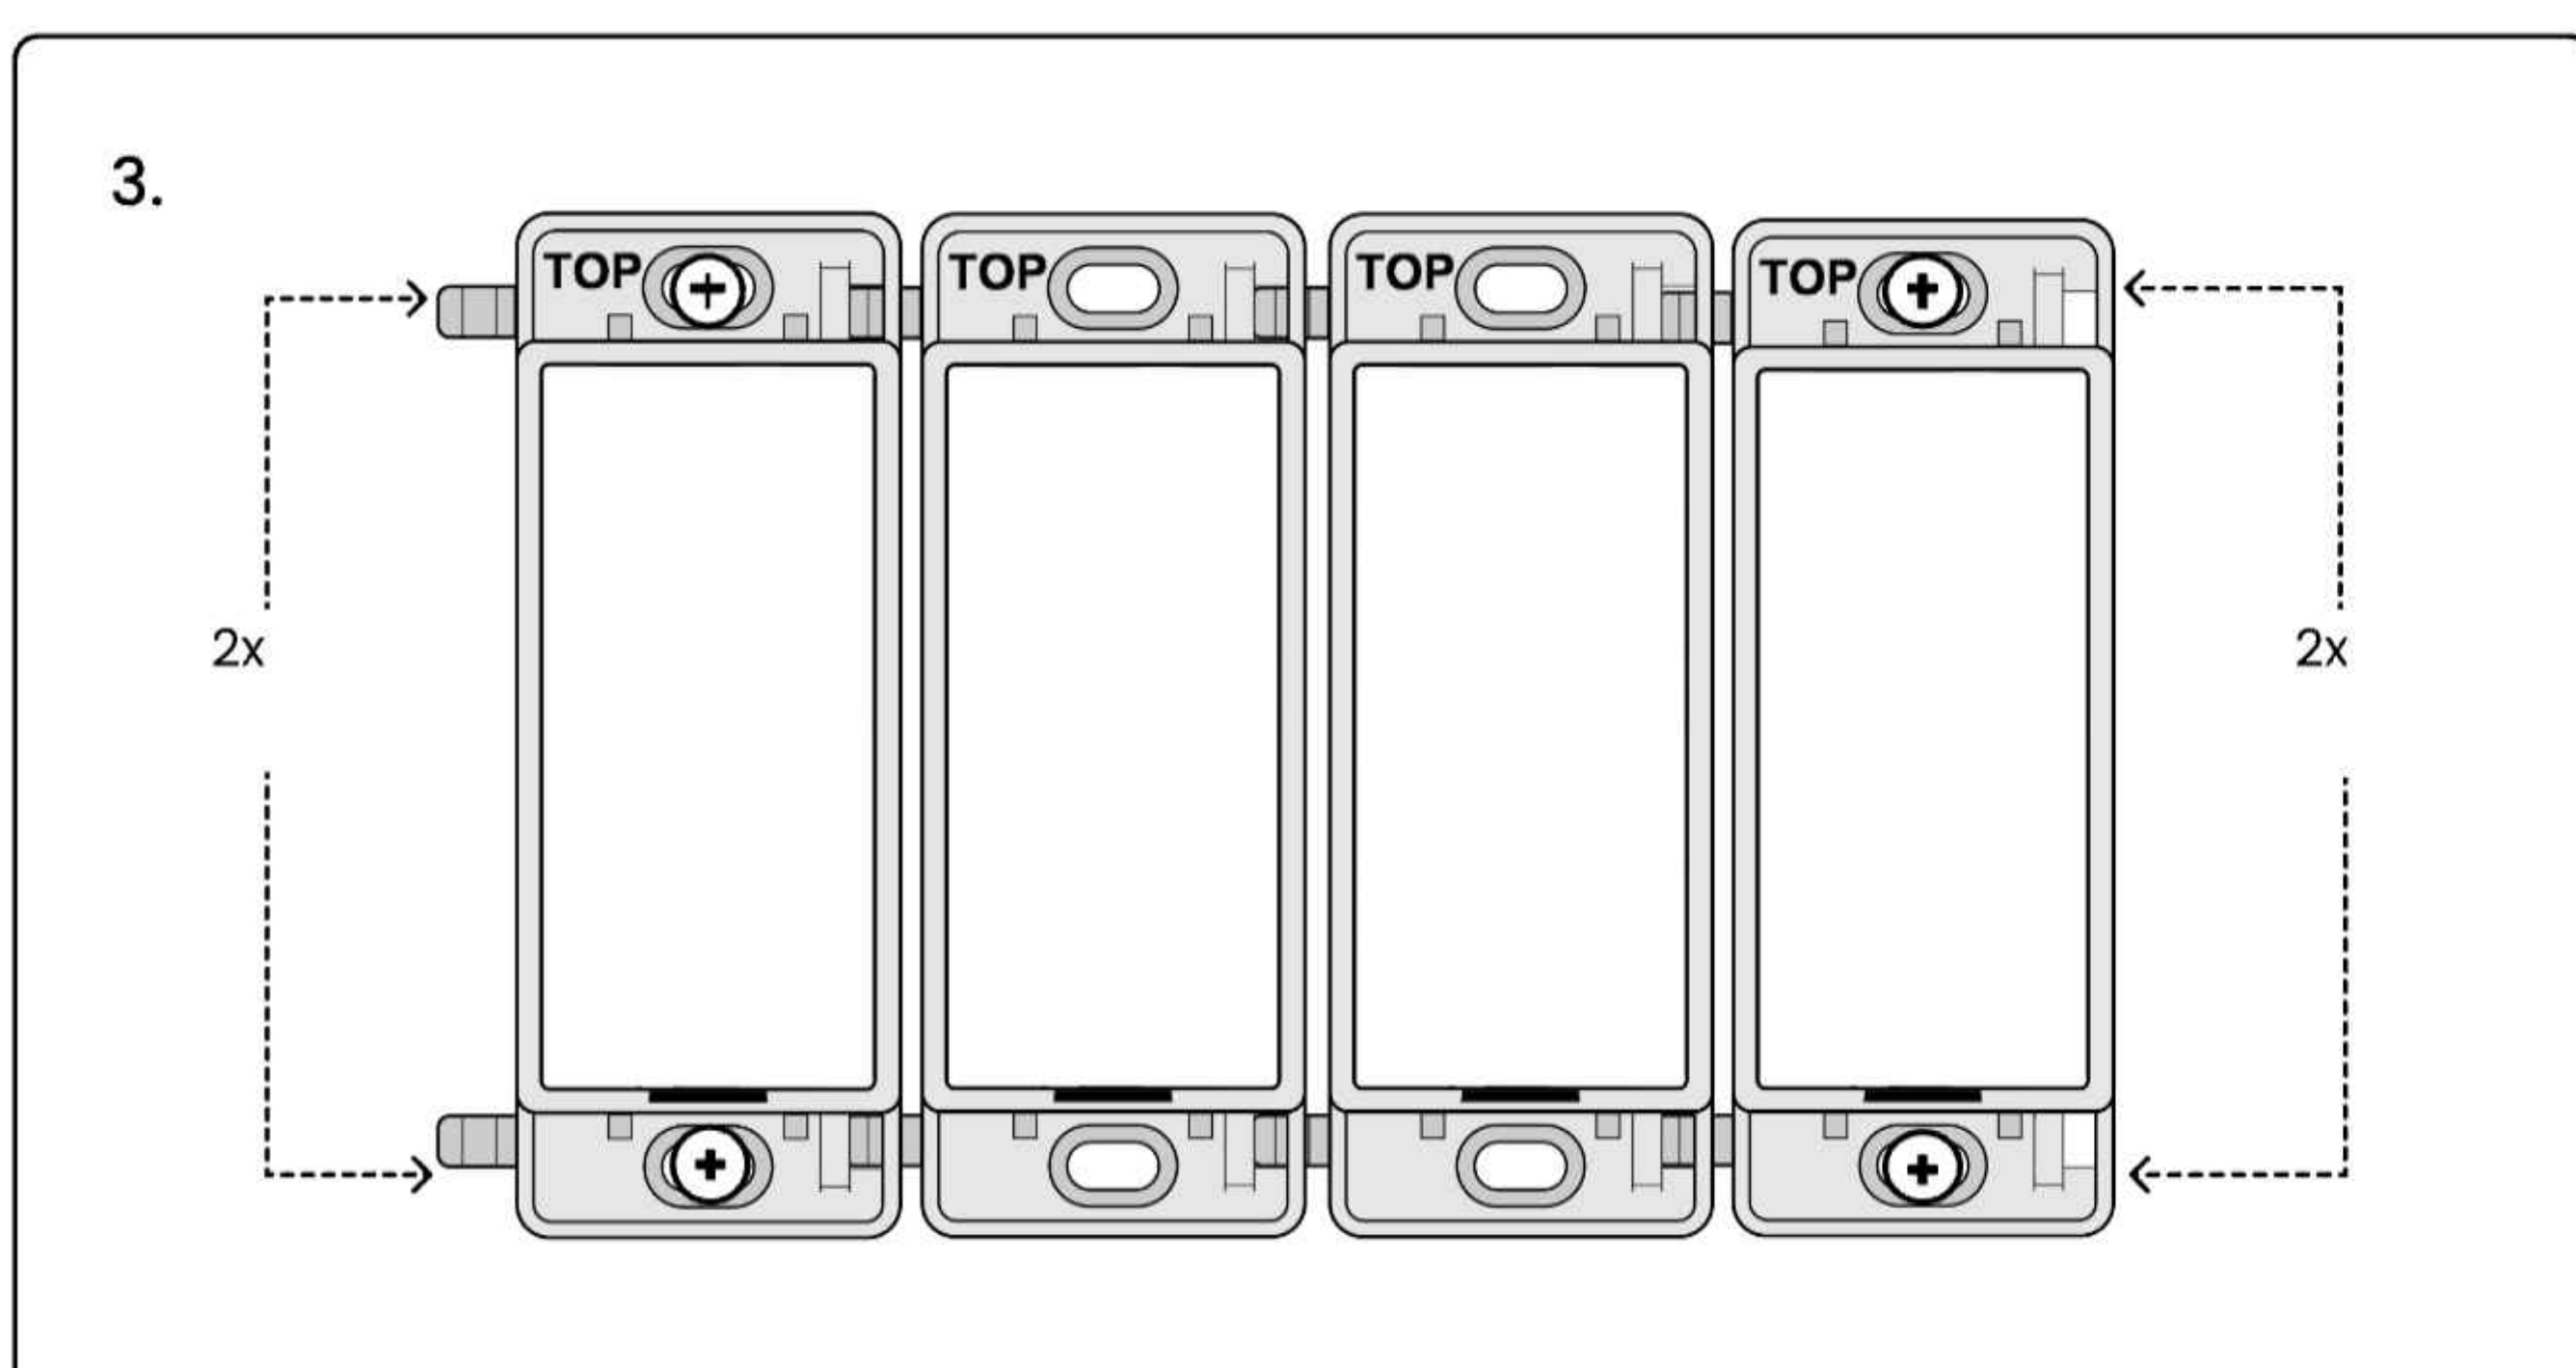

Installation:

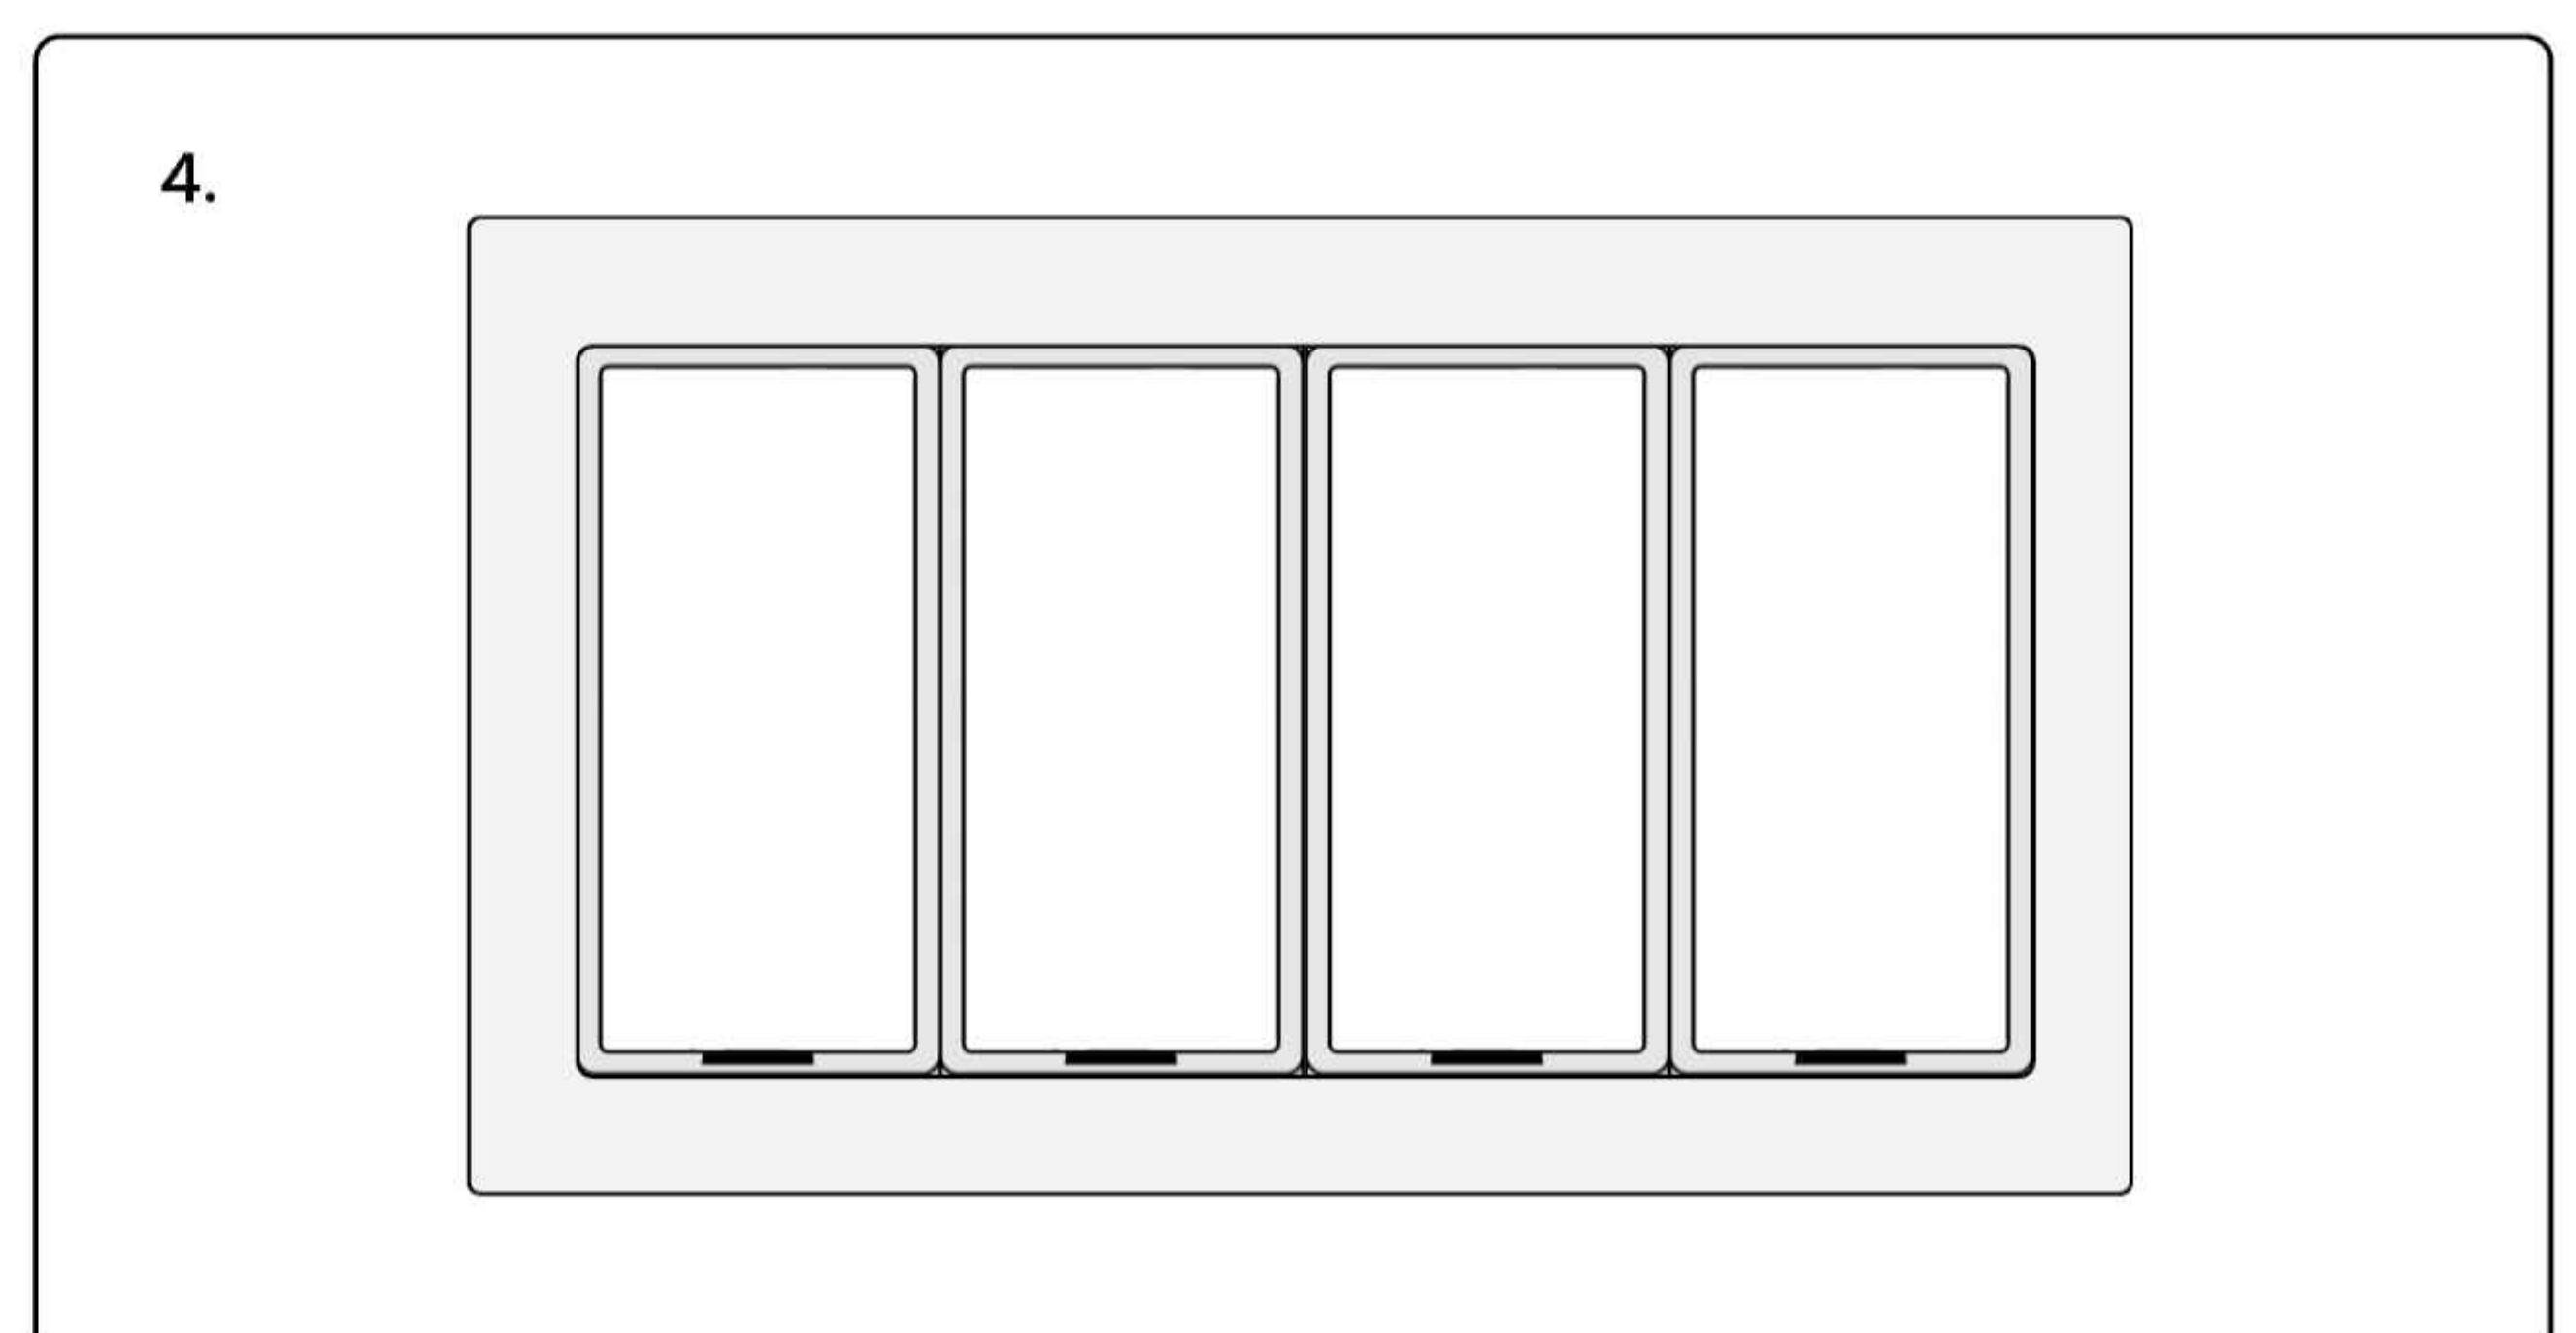

Create multi-gang switches by snapping two or more switches together as shown. (two-, three-, or four-gang).

Switches are mounted with drywall/sheetrock anchor screws. Single-gang switches use two screws (one on the top and bottom). Multi-gang switches use four screws (one on each corner).

Gently screw the screws into the wall to secure the switch in place.

Finish the installation with a screwless snap-on Levven wall plate.
